Zeeshan Haider

Web Developer

👤 Profile

Currently looking for a position/internship as Front-end Developer that will allow me to gather more professional experience in this field. I have a solid grasp on technologies such as React, Node.js, JavaScript, JSON, DOM, HTML5, CSS3, Bootstrap, SQL, CLI and Version Control Systems (GitHub). I consider myself a fast learner with good communication and strong problem-solving skills as well as being able to stay calm under pressure.
